On Monday the children had a wonderful time at the Athletics Carnival. Congratulations to all our competitors, especially to the children who will be competing at the Zone Athletics Carnival. Thank you to Mr Hills and staff for organising this special day.

We also congratulate Shivani Mehta, Ewan Shingler and Nea Shingler for their participation at the Northern Sydney Region Cross Country Carnival.

Next week Semester 1 School Reports will be distributed to all students. Information relating to effort and achievement across the six key learning areas will be provided. I invite parents to contact their child’s class teacher for additional information.

Next Tuesday the school choir will be participating with twenty two other schools in the first combined choir practice at Marsden High School. Each year approximately 1200 children join to provide a unique performance at the Sydney Opera House. I thank Mrs Coombes and Mrs Scott for leading this group.

The school is fortunate to have a five day canteen and in-school uniform shop. These P & C organised services are highly valued at the school and are operated by generous volunteers. I thank so many parents for their commitment.

Tomorrow night many children will enjoy the school disco with a Hawaiian theme. Thank you to the Year 2 parents for organising the event with a barbecue.

The Holiday Workshops are again planned for the July holidays. I thank Maya Gomez for organising the sessions and invite parents to return notes and payments if they would like their children to attend.

I thank parents for continuing to be so dedicated to their children’s education and wish you a safe and enjoyable holiday.
