Children have been working very hard preparing for the two performance nights and I know they will enjoy entertaining you in the school hall. I thank the teachers for enthusiastically preparing the children and the many mothers who have made costumes. Both performances will commence at 6:30 pm.

The Fathers' Day Night out will be held on Friday 30th August commencing at 6:00 pm. I invite fathers and their children to visit the school and enjoy this social event.

The school’s 60th Anniversary Gala Day is almost here and is going to be a fabulous day. Many parents are enthusiastically contributing to ensure that it will be a memorable occasion. A list of sponsors is included in this newsletter and I thank them for supporting the school. In particular I thank many school parents for generously donating prizes.

At this week’s P&C meeting the Technology Committee presented its recent findings on online ordering for the canteen and uniform shop – they have made great progress in assessing various options and will be visiting local schools to help finalise their decision. A trial will be run at the beginning of Term 4 with the aim to having a system up and running during next term.

Emma attended the recent Band Committee meeting – this committee very successfully oversees the three BRPS bands and it was great to see how well they operate. There are currently approximately 65 children in the program. Thank you to Rod Sharples and all committee members for their hard work.

Gala Day is fast approaching – thank you to all families selling raffle tickets and to both the Fundraising Committee and Class Parents who are organising the day. Sponsor and silent auction information has been circulated. Please remember to bring in your tombola box, save items for the white elephant stall and start planning your baking. The online roster still has a lot of gaps in it – please add your name or see your Class Parent if you need the details to access the spreadsheet.

Thank you to all our sponsors and families for donations. A list appears in this bulletin – we ask all families to support the businesses that have donated so generously to our School.

The minutes of the last P&C meeting are available on the website. Our next meeting will be held in the Staff Room at 7.30pm, Tuesday 17th September. An Agenda will be available on the school website and posted on the P&C notice board. We invite you all to attend.
