Children in Years 3 and 5 completed the National Assessment in Literacy and Numeracy. The tests will provide information in Spelling, Language, Comprehension, Writing and the various strands of Numeracy. All children were prepared and contributed their best effort. Individual and school results will be available in early September.

Approximately ninety mothers enjoyed the Mums’ Night Out last Friday. There was much fun and an opportunity for mothers to meet each other in a relaxed atmosphere. My thanks to Carey Francis and teachers for supporting the event.

The Zone Cross Country will be held at St Ives Showground on Thursday, 28 May. Approximately fifty children will participate in this event and know the children will do their best. I ask parents to transport their children to this venue.

The school’s Athletics Carnival will be held on Tuesday, 2 June at Dunbar Park, Marsfield. Children from Years 3 to 6 and Year 2 children turning 8 years in 2015 will participate at this carnival. We invite parents to attend and assist on this day.

Our next P & C meeting will be held on Wednesday, 17th June at 9.15am in the staffroom. This day time meeting is an opportunity for parents to attend a meeting during the day.

The Spanish program has been extended to be taught from Kindergarten to Year 6. Ms Evelyn Ruiz Ortega is very enthusiastic and is engaging all students in her lessons.

The tender process for an OOSH provider has begun and the School Council is awaiting for the Department of Education and Communities to approve the submission. The school community will receive more information as we confirm final details.

Please note the parking zone outside the front of the school is a ‘No Stopping Zone’ between 2.30 pm and 4.00 pm. Council rangers often patrol this area. Motorists parking in this area are putting the children’s safety at risk.

IMPORTANT NOTICE
OPPORTUNITY CLASS
2016 APPLICATION

Parents with children in Year 4 are invited to apply online for entry into the Opportunity Class:

Online applications close tomorrow, Friday, 15 May 2015.
This section tells you more about what we discuss, decide and do in your BRPS P&C.

The P&C committee met last week and discussed a number of topics.

We decided that year 5 and year 6 students attending the year 6 farewell will no longer have to buy a ticket. The event’s cost will be split between the school and the P&C. Attendance will be free for year 5 and 6 students.

The committee supported the idea of running a parent information session once a term. We ran the Interrelate sessions “Where did I come from?” and “Preparing for puberty” in term 1. We continue researching suitable topics to offer parents in the future.

We are lucky enough to have surplus funds in the bank, $125,000 of which has been set aside for the planned multi-purpose resource room. We are talking with the principal and School Council to select projects around the school where our surplus funds can make a difference in the short and medium term. We have yet to choose long-term projects for focused fundraising activities in the future. The last parent survey in April 2013 will be useful in this discussion and we also invite parents to speak to one of the P&C Executive if you have particular ideas for suitable projects.

We expect that we will be able to appoint someone to the Assistant Treasurer role on the Executive soon. Three people have approached us with an interest in the vacancy.

We hope all the mums out there had a wonderful Mother’s Day last weekend. Thank you to the year 1 parents who organised the gift stall where your children bought surprise presents. Thanks also to Mr McDonald, the teachers and the office staff for organising the Mums’ Night Out. Feathers, pipe cleaners and rhinestones flew everywhere during the 15 minute craft challenge as mums battled to create the winning Beaumont Bonnet; amazing designs were paraded on the catwalk and you can see some of them in the school office this week. People were still dancing as midnight approached. Mums, put the Friday before Mother’s Day in your diary now for next year!

Our next P&C general meeting is during the day: Wednesday, 17 June at 0915 in the school staffroom. This day-time meeting is a chance for people to attend who can’t normally make an evening meeting.

If you want to know more about what we do and what you can do, please speak to anyone on the Executive, come to a meeting or contact us by email.
